

# Performance of USA in Summer Olympics

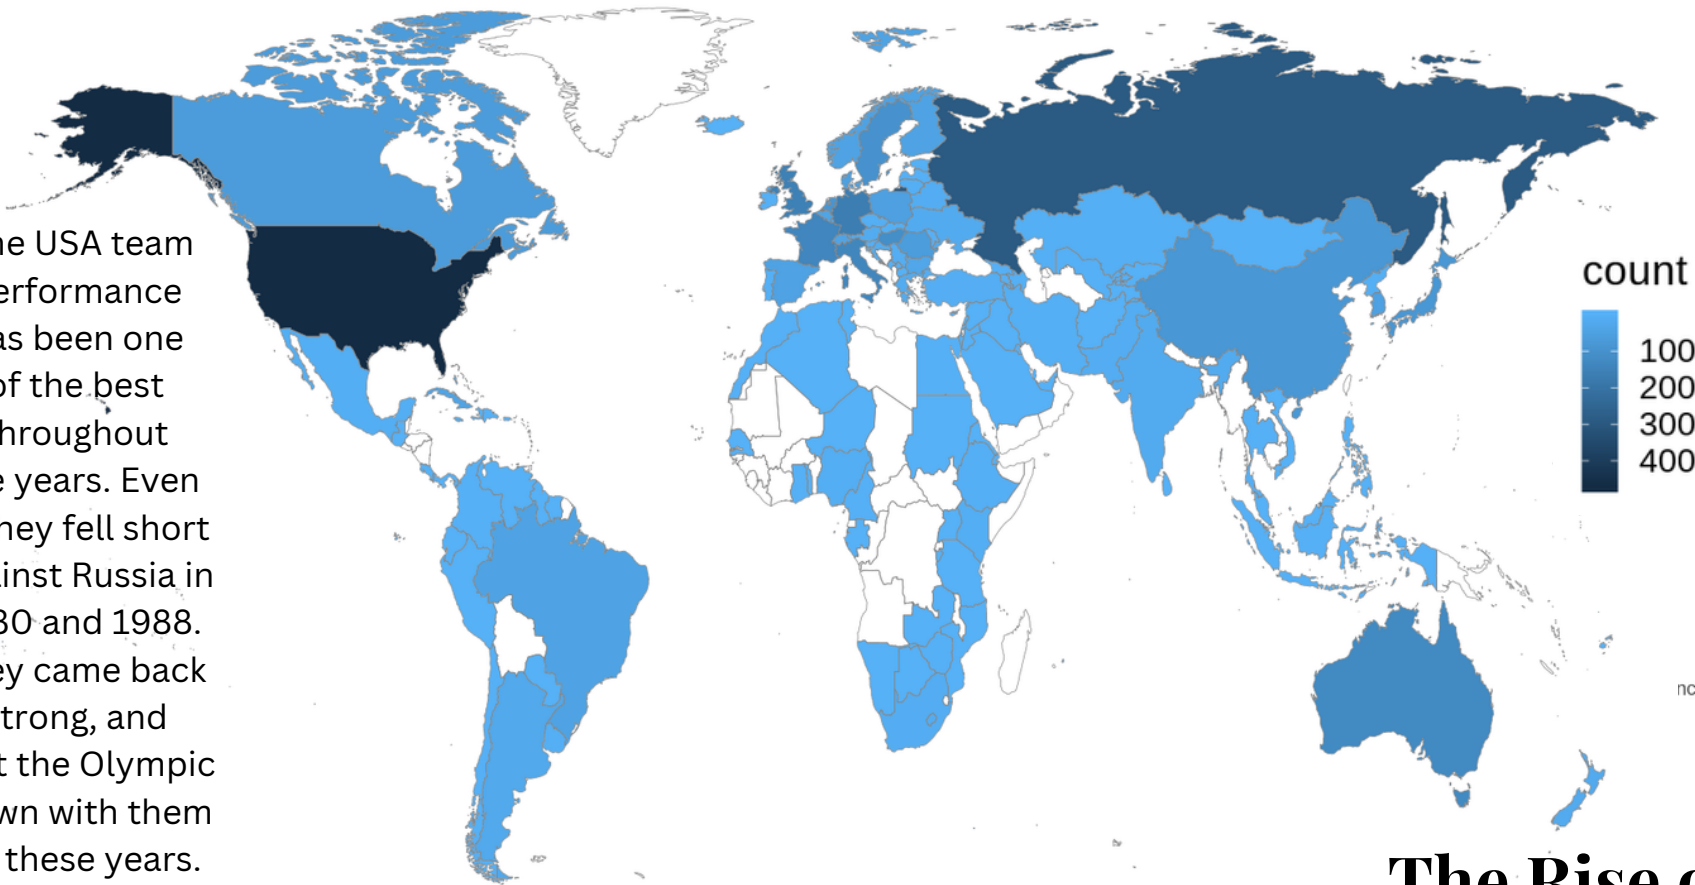

## Strong Hand of Team USA

Gold, Silver and Bronze medal tally

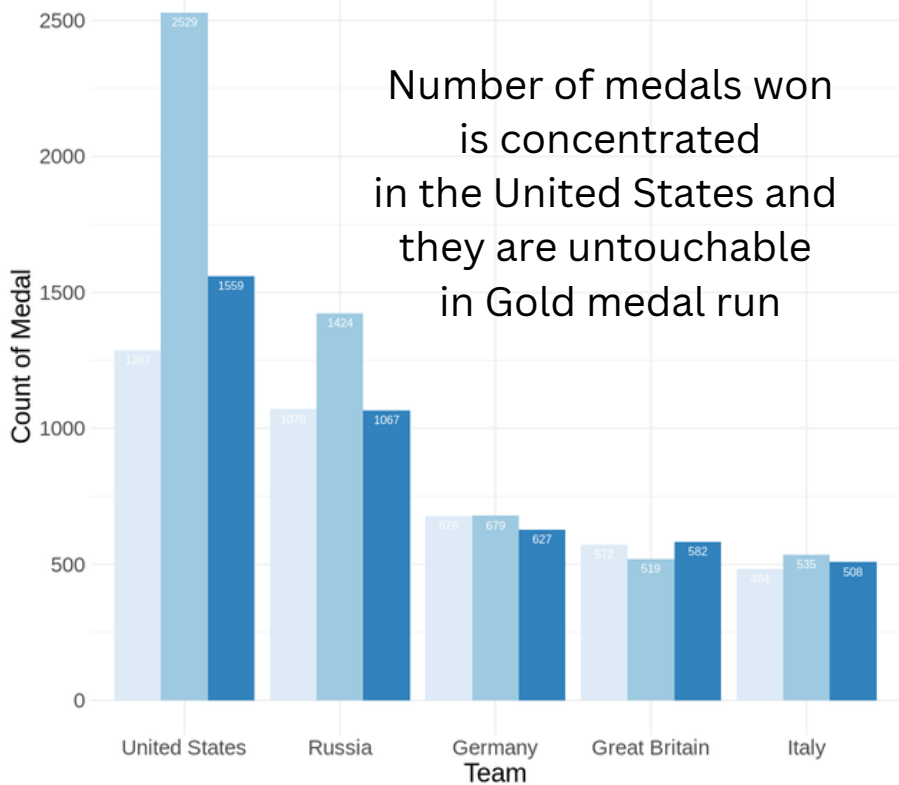

## World Heat Map of total number of Olympic Medals

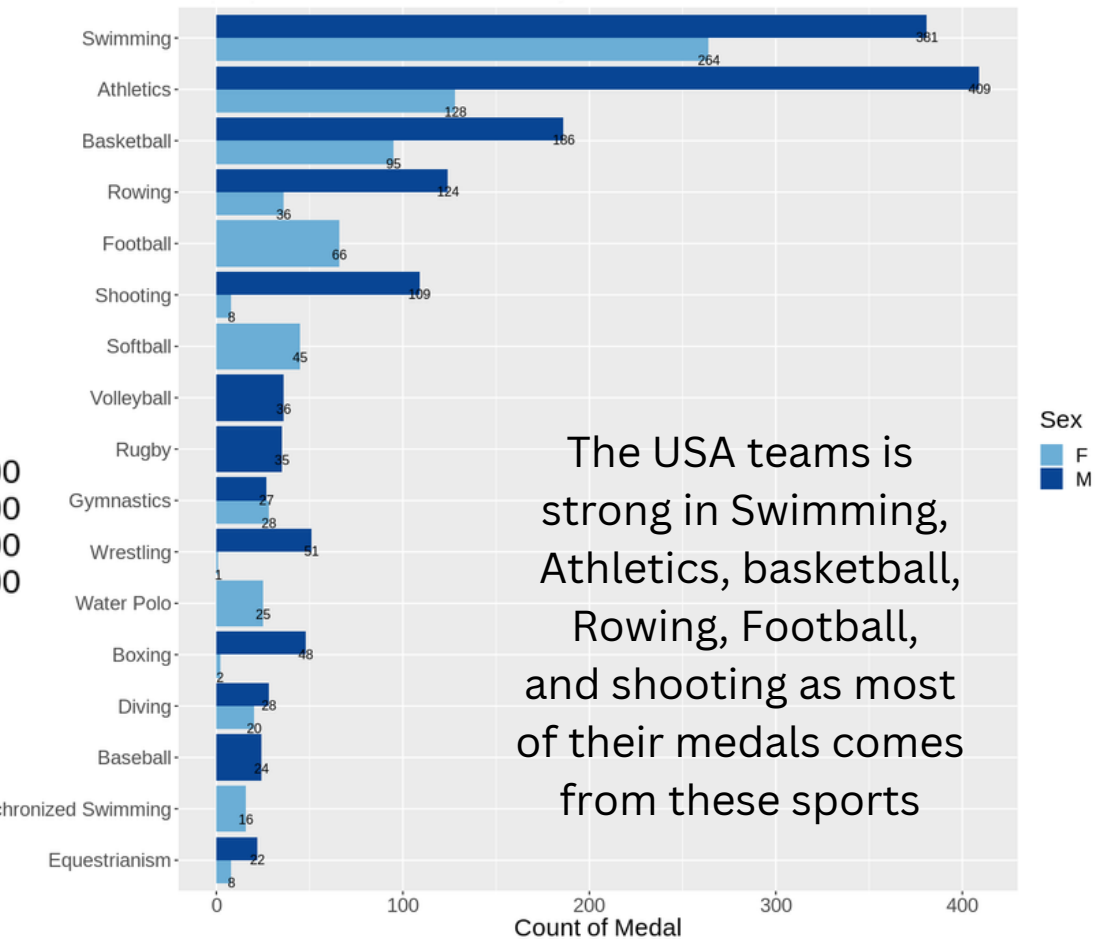

The USA team performance has been one of the best throughout the years. Even if they fell short against Russia in 1980 and 1988. They came back strong, and kept the Olympic crown with them all these years.

Ploting the total medals of the top countries till now in Olympics

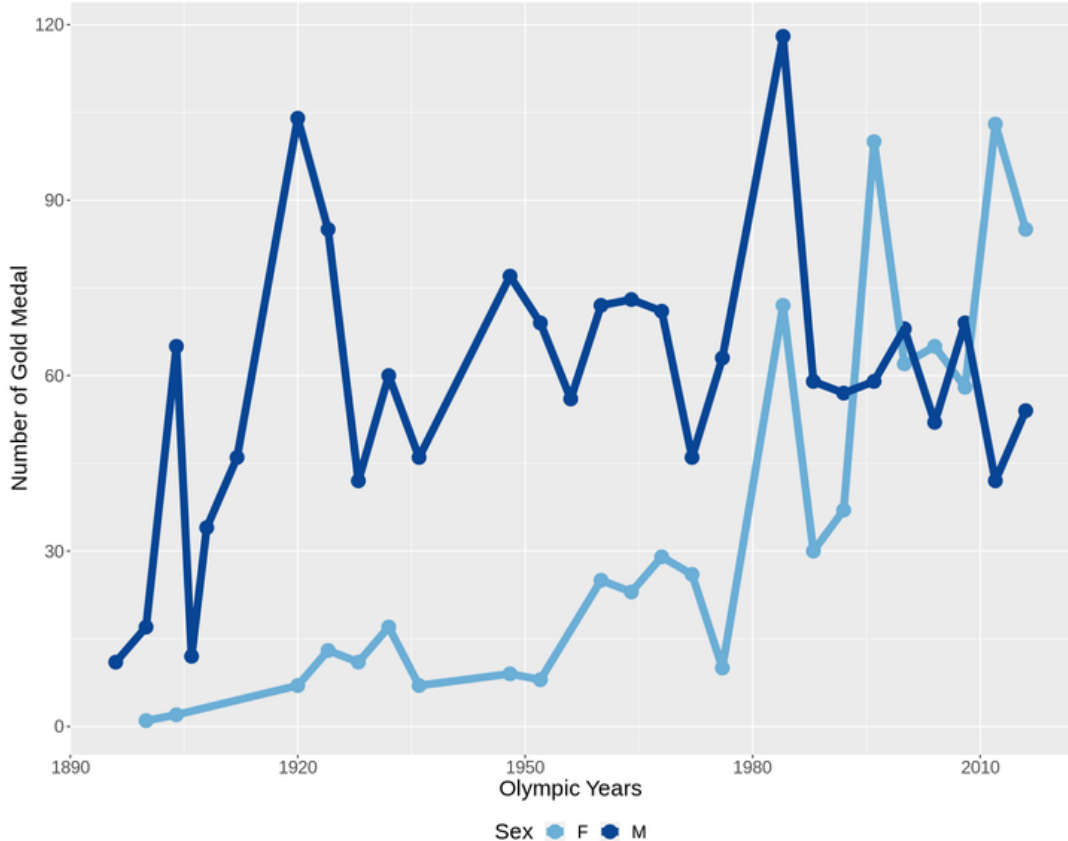

Top sport wise Medals won by USA Team

The USA teams is strong in Swimming, Athletics, basketball, Rowing, Football, and shooting as most of their medals comes from these sports

## The Rise of Sportswomen in USA

Performance of Men and Women from US throught the years in Summer Olympics

Throughout the years, we see the increase in performance of sportswomen in the United States. The domination of female athletes in the years 1992, 2004, 2012, and 2016, can be seen in the line graph. With a rise in recreational facilities and support, the representation of females in sports has seen an evolutionary rise.
